

## **BROKER LETTER OF AGREEMENT**

As a broker and member of the St. Louis REALTORS® I agree to report all agents whose licenses I am holding both now and in the future to the Association. I agree that I will report the proper information on any agents within thirty (30) days of receiving their licenses. I understand pro-rated dues and application fees applicable to these licenses will be based on the month their license becomes active with my company or broker's license.

I agree that all agents whose licenses I am holding shall be dues paying members of the Association or, if they choose not join, the dues shall be assessed to me, the Designated Broker, as per the Bylaws of the Association. I understand that I am responsible for dues assessed for each licensee affiliated with my broker's license to be paid on a timely basis. I understand I will face suspension of services by the Association if these dues are not paid on a timely basis.

In addition, I understand that any other broker licenses or companies I become affiliated with will fall under my REALTOR® membership. Therefore, I agree any agents whose licenses that are held under any broker's license I obtain shall become dues paying members of this Association or, if they choose not to join, I will be assessed an amount equal to those dues for each licensee affiliated with my REALTOR® membership.
