# NAREB History.....

- 
- Although the lives of African Americans were now changing for the good, in 1947 people of color could not join a Realtor association. This drove 14 individuals to create what now is known as NAREB (National association of Real Estate Brokers) These people dedicated themselves to fair housing for all.

## NAREB Today.....

- 
- NAREB and its REALTIST® have gone on to win victory after victory in support of equal housing opportunities for all. We support our progressing members and the communities we serve. We are an association proud of our past, relentless in our struggle, and 100% dedicated to the REALTIST® creed- Democracy in Housing.

# NAREB's 5 Initiatives.....

- 
- 1. ***Faith and Civic Engagement*** – Reach the masses of minority communities and provide empowerment, education and resources.
  - 2. ***Women's Initiative*** – Source for the fastest growing gender in the real estate industry.
