

Brennan Giesler is a Commercial Advisor with Holman Partners. Drawn by their “clients’ needs first” approach and their proactive nationwide cooperation. Joining in 2023, Brennan brings diversity through 20+ years Real Estate experience along with retail & restaurant management.

Brennan entered the Real Estate industry while in college in 2001 to help his Late/Great & Great Uncle, Dave Giesler’s RE/MAX Franchise in St. Louis, Missouri. Started by helping put up signs, curing paperwork, odd projects/grunt work, a lot of time fixing his fax machine, & teaching the boomers in the office how emails work. While keeping one foot remaining in the Restaurant/Hospitality industry, decided to get his license and truly found a passion for helping clients find the properties that fit their needs. 2004 took over the role of Office manager, then 2005-2009 Broker-Associate until opening Fleur-de-lys Realty in 2009.

Former President of CIREB, Council of Independent Real Estate Brokers 2012-2014. During tenure, membership grew from 35 to 90 independent brokerages.
