Please share with us your interest in this position and what your goals and objective might be.

I have been a member of the St Louis Realtors since 2007, however, I have only been an ACTIVE member since 2023. Becoming an actual active member I have formed strong bonds with other members and staff who have been welcoming in a way that that I can only describe as family! This family relationship has touched me in a way that few experiences in my life have. I like it, and desire an increased role in it. My interest, goals and objectives are all the same:
To help promote the St Louis Realtors Association to other members, future affiliates, and the public, while helping to shape the future of the Association.
