

A second-generation REALTOR®, Christy Beilsmith has been practicing residential real estate since 2005. In 2017, her career took on an additional focus on risk management and agent education with her work as a broker-manager at a local, independent firm. This, and her experience through wildly varying markets, created an interest in advocacy, which she has pursued through her time volunteering with both the St. Louis and Missouri REALTOR® Associations. She has served on several committees and task forces, as well as serving on the Board of Directors for both Associations. A proud graduate of the St. Louis REALTORS® Leadership Academy, she was also honored to receive the St. Louis REALTORS® Manager of the Year award in 2019. Outside of the real estate world, you will find Christy spending time with family and friends around the pool, working in her pollinator gardens, or chasing her crazy dogs.
