

Antonette K. Bilcki "Toni", I have over 41 years of Real Estate experience in the St. Louis area. Proudly served & serving on the Citation Review Panel, RPAC Fundraising Committee, Grievance Committee, Professional Standards, Young Professionals Network, Saint Louis Board of Directors & Missouri State Board of Directors. Five Star Real Estate Award 2010-2024 (That means I work well with my peers). I believe in the vision of St. Louis REALTORS®. It is important to work for & protect fellow REALTORS® & families that are enjoying living the American Dream of Home Ownership. I listen to all sides & try to gain as much information before making decisions. We must all work together to help others. I am an active supporter & volunteer for many local charities: The Ronald McDonald House, Homes for Heroes, American Cancer Society, Women for A Second Chance, RPAC Contributor, Wreaths Across America, Many Veterans Organizations, & More.
